

Western Pacific FAASTeam presents:

Aviation Safety with a Humorous Twist

Be prepared to laugh and learn as Rod Machado introduces you to the lighter side of aviation safety. From a student who can't keep his false teeth in his mouth to a pilot who can't remember to remove the plastic owl from his vertical stabilizer before flight, you're sure to have an evening filled with humor and wisdom.

Directions: From the South:

Highway 101 northbound. Exit Los Osos Valley Road. Right turn on Los Osos Valley Road. Left turn on South Higuera Street. Right turn on Tank Farm Road. Right turn on Broad Street/Highway 227. Right turn on Aero Drive. Left turn on Airport Drive.

From the North:

Highway 101 southbound. Exit Los Osos Valley Road. Left turn on Los Osos Valley Road. Left turn on South Higuera Street. Right turn on Tank Farm Road. Right turn on Broad Street/Highway 227. Right turn on Aero Drive. Left turn on Airport Drive.

From Runway:

The San Luis Jet Center is located just north of the tower, on the east side of the field.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
